Declaration/Contract

- I/we have full management control of all land and enterprises detailed in this application.
- To the best of my/our knowledge, all information supplied in this application is accurate and complete.
- I/we accept the right of the Organic Trust CLG to refuse any application (following a review of the application documentation) or to refuse certification.
- I/we accept that this application may not be accepted as a single application (depending on the information submitted regarding the entity/ies to be inspected & certified). Therefore, I/we agree to comply with the requirements for certification and to supply any additional information which may be required for evaluation purposes.
- I/we accept that this application will be considered together with all the other applications that I/we make including production & processing applications.
- In instances where organic licences are held with Organic Certification Bodies other than the Organic Trust CLG, the Organic Trust CLG must have access to such entities.
- I/we accept that the Organic Trust CLG reserves the right to obtain copies of file information relating to any previously held organic or in-conversion licence(s) from the appropriate Organic Certification Body or Bodies, including a copy of the most recently issued licence.
- In the case where the control authority or control body of this operation changes, I/we undertake the transmission of the control files to the subsequent control authority or control body;
- I/we accept that exchange of information between the Organic Trust CLG and any other relevant Organic Certification Body is a mandatory requirement. This includes instances where part of the operation is sub-contracted to another operator which is certified by an Organic Certification Body other than the Organic Trust CLG.
- I/we have read and understood the Organic Food & Farming Standards in Ireland, Edition 1.
- I/we agree from date of application to perform the operations in accordance with these standards and any future amendments.
- I/we agree to notify the Organic Trust CLG of any changes to the holding and activities outlined in this application, and any changes to the contents outlined in this application.
- I/we agree where the operation is withdrawn from the control system, to inform without delay the Organic Trust CLG and the relevant competent authority.
- I/we agree where the operation is withdrawn from the control system, that the control file is kept for a period of at least five years.
- I/we agree to ensure that all staff involved in the operation are trained in the specifics of the prevailing organic standards.
- I/we agree to submit the said operation including any operations carried out by a subcontractor to inspections & spot checks by officials of the relevant competent authority and the Organic Trust CLG.
- I/we agree to abide by any conditions or sanctions imposed on my/our operation by the Organic Trust CLG, and the relevant competent authority.
- I/we accept that withdrawal of the licence in one area (e.g. production) may also result in withdrawal of the licence in all licensed areas (e.g. processing), even if these are separate legal entities.
- If the Organic Trust CLG should rescind my/our licence, we undertake to inform our buyers in writing that my/our licence has been withdrawn in order to ensure that the indications referring to the organic production method are removed from this production and will specify the period (if appropriate) of any such withdrawal in accordance with clause 1.04.12 of the Organic Food & Farming Standards in Ireland, Edition 1.
- I/we undertake not to sell any product labelled as 'organic' until organic status has been awarded by Organic Trust CLG.
- I/we recognise that the Organic Trust Symbol is the sole property of the Organic Trust CLG
- I/we agree to inform the Organic Trust CLG without delay of any irregularity or infringement affecting the organic status of our product or organic products received from other operators or subcontractors.
